**Subject: Notice of Assessment for FY 2022-23**

Dear Landowner,

On July 6, 2022, the Shandon-San Juan Water District levied an assessment for the 2022-23 fiscal year that is due by January 6, 2023. However, the District is requesting that landowners pay the assessment by August 15, 2022. The funds raised by these assessments enable us to represent your interests as we work to implement the Groundwater Sustainability Plan (GSP).

The Shandon-San Juan Water District is acting as its own Assessor and Tax Collector. You will not receive a separate bill from the County of San Luis Obispo. The assessment will be delinquent if not paid by January 6, 2023.

The 2022-23 assessment levels are:

- Irrigated Land - \$35.00 per acre
- Non-Irrigated Land - \$0.11 per acre
- Residences - \$7.50 per residence
- De minimis level for single landowner - \$25.00

Checks should be made payable to: SHANDON - SAN JUAN WATER DISTRICT.
